STITCH EXPLANATIONS

M1 (make 1) An increase worked by lifting the horizontal strand lying between needles and placing it onto the left needle. Knit this new stitch through the back loop – 1 st increased.

ssk (slip, slip, knit) Slip next 2 sts as if to

knit, one at a time, to right needle; insert left needle into fronts of these 2 sts and knit them together – 1 st decreased.

yo (yarn over)

An increase that also creates a small decorative hole (eyelet) in the fabric, worked as follows:

1. Bring yarn to front, between the needles.
2. Take yarn to back, over the right needle.
This creates the new st. You are now ready to proceed with the next st as instructed.

NOTES

1. Cardigan is worked in one piece from the lower edge upwards.
2. Pocket linings and sleeves are worked separately then joined to body of Cardigan as work progresses.
3. The stars and horseshoe motifs are worked in intarsia colorwork, following the included charts.
4. When working intarsia, use a separate ball of yarn for each color section, don't carry colors across WS of work.
5. A circular needle is used to accommodate sts. Work back and forth in rows on circular needle as if working with straight needles.
6. This cozy Cardigan can be made without the intarsia motifs should you prefer.
