

SINGER® PROJECTS

# Presser Feet Review

Singer Sewing Machines come with a variety of accessories including several presser feet to assist with your various sewing projects. But have you ever wondered what they all do and when to use them?

Join Singer Educator, Bethany McCue, on a live zoom class Thursday, June 22nd at Noon CST to get the answers to all of your presser feet questions. Bethany will walk you through the basics of how to set up your machine for each foot and some of the most commonly used techniques and uses for each foot when sewing. She will be featuring the Singer® Heavy Duty 6700C Sewing Machine available at Michaels.

Supply List: Demonstration class. No supplies needed. Come prepared to take notes and get inspired. You do not want to miss this event!
