

SINGER® PROJECTS

Heavy Duty for All

By Soni Grint
Singer Educator

How do you know what sewing machine is the right one for you? Come to this Heavy Duty comparison class and find out.

In this class our educator will talk about what the difference is between stretch and non stretch stitches, why a computer machine might give you the features that you are looking for and why a serger just might complete your sewing room.

Demonstration Class Supply list: Paper and writing utensil to make notes. No sewing supplies needed.
