

SINGER® PROJECTS

Troubleshooting 101

By Wendi Owens
SINGER® Educator

Do you sometimes get frustrated with your machine when you are sewing a project? Learn how to overcome the most common obstacles while sewing as well as some basics that will help you on every type of project regardless of which SINGER® machine you are sewing on.

Join Singer Educator, Wendi Owens, in a live zoom class Thursday, September 19 at noon CST to get answers to all your questions. Wendi will have lots of tips and hints that will set you up for success. She will be featuring the SINGER® C5950 sewing machine available at Michaels. Come prepared to take notes and learn to overcome!
