

SINGER® PROJECTS

Free-Motion Sewing Techniques

Have you ever heard of free-motion sewing and wondered exactly what it was, how to do it, and when you might want to use this type of sewing? Did you know that there are different types of free-motion sewing techniques you can do on a sewing machine?

Join Soni Grint from Singer Sewing Machine Company on a live zoom class Tuesday, May 23rd at Noon CST to get the answers to all of your free-motion sewing questions. Soni will walk you through the basics of how to set up your machine for free-motion stitching and some of the most commonly used techniques and styles of free-motion sewing. She will be featuring the Singer® Heavy Duty Sewing Machine available at Michaels.

Supply List: Demonstration class. No supplies needed. Come prepared to take notes and get inspired. You do not want to miss this event!

1. Free Motion Setup

2. Thread Painting

3. Quilting

4. Stippling

ADDITIONAL NOTES: _____
