

SINGER® PROJECTS

Introduction to Computerized Sewing Machines

Have you ever been curious about what is so special about computerized sewing machines? Maybe you wonder if it's time to upgrade from your mechanical sewing machine? Or perhaps you just want to know what all those buttons do?

Join Singer Educator, Bethany McCue, on a live zoom class Thursday, August 17th at Noon CST to get the answers to all of your computerized sewing machine questions. Bethany will walk you through all the features and benefits of a computerized sewing machine. She will be featuring the Singer® Heavy Duty 6700C Sewing Machine available at Michaels.

Supply List: Demonstration class. No supplies needed. Come prepared to take notes and get inspired. You do not want to miss this event!
