

SINGER® PROJECTS

Twin Needles

What are they and Why you need them?

By Vanessa Dyson
Singer Educator

Learn all about Twin Needles – what they are, why you need them and how to use them. We will cover several different and fun ways to use Twin Needles. If you have never used them, do not miss this class! There are many ways to use them, some will make your sewing look more professional, and some are just fun!

Join Singer Educator, Vanessa Dyson, in a live zoom class Thursday, June 20th at Noon CST to get answers to all your Twin Needle questions. Vanessa will walk you through the basics of setting up your machine for Twin Needles and some of the most common techniques. She will be featuring the SINGER® Heavy Duty 6700C Sewing Machine available at Michaels.

Supply List: Demonstration class. No supplies needed. Come prepared to take notes and get inspired. You do not want to miss this event!

(Notes page with highlighted topics to be discussed during class)
