Next increase to 20 stitches by

pulling 1 stitch up and
pushing 1 stitch back
through each loop

Pull one stitch through each loop (20).

Now make the 5 petals
Each petal is made of 4 stitches

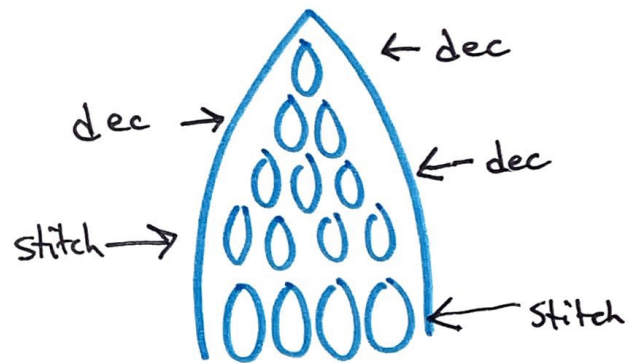

← Stitch 4

→ stitch 4

← decrease to 3

→ decrease to 2

← decrease to 1

tie off and leave 6-8 inch tail

Pull loop through next 4
stitches to create next petal

Use original tail and create a "drawstring" to close circle.

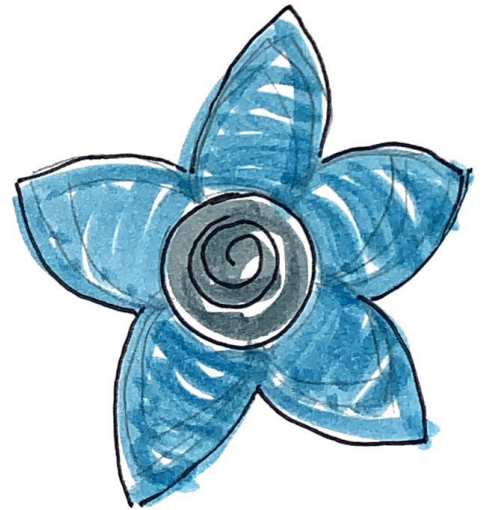

this completes the **FRONT** of your flower pillow.

Repeat to make the **BACK**.

Put right sides together and use tails between petals to attach **FRONT** and **BACK**.

Turn right sides out.

Use each tail to sew petals
stuffing as you go.
