FLOWER POWER BRACELET

by Meredith Roddy

Learn about Supplemax Monofilament Illusion Cords with a fun twist on a daisy chain bracelet!

Supplies:

- Beadalon® Supplemax™ Monofilament Illusion Cord, Clear, 0.25mm - Item# 10162867
- Lobster Claw Clasps by Bead Landing™ - Item# 10442977
- Bead Landing™ Split Rings, 6 mm - Item# 10443015

Tools:

- Precision Scissors by Recollections™ - Item# 10591717
- Beadalon® WildFire Cord Cutter - Item# D521863S

Instructions:

Step 1:

- Cut a 5ft (152 cm) length of Supplemax cord. Center it on the lobster clasp.

Step 2:

- Add (1) 4mm rondelle on each side of the Supplemax. Add (1) Color A 8mm rondelle on one thread and pass back through it with the other thread. Pull snug and make sure the beads are centered on the Supplemax. You'll want to keep a loose tension in this project. Just tight enough to snug up the beads.

Step 3:

- Add (2) Color A 8mm rondelles on each side of the Supplemax. Thread (1) Color B rondelle on both threads in the same direction.

Step 4:

- Flip the last bead added upside down and thread one side of the Supplemax up through the two beads on one side and the other side of the Supplemax up through the two beads on the other side. Add (1) Color A rondelle to one side of the thread and go back through the rondelle with the other thread.

Step 5:

- Repeat Steps 2-4, alternating colors for the flowers and centers, until your bracelet or necklace is the length you'd like.

Step 5:

- Add one 4mm bead on each side of the Supplemax. Thread a jump ring or tag on one of the cords. Thread back through the jump ring or tag with the other cord. Thread back through the 4mm bead on each side, and thread one side of the Supplemax through the 8mm bead so it meets the other side of the Supplemax. Tie a knot to finish, and trim and seal the ends with the WildFire Cord Cutter or thread burner.

Beads

- Black Aurora Borealis Faceted Glass Rondelle Bead Strings by Bead Landing™ - Item # 10547851
- Purple Faceted Glass Round Beads by Bead Landing™ - Item # 10594099
