Class Supply List

Tombow Dual Brush Pens, Just Peachy 6-pack:

We're using this set in class, but you can also find the Very Berry, Lemon Squeezy, and Yay Sorbet 6-packs at Michaels, along with open stock colors and assorted 10-pack sets, making it easy to choose the color palette that fits your personal aesthetic.

Dual Brush Pens feature a flexible brush tip and fine tip in one marker. The brush tip works like a paintbrush to create fine, medium or bold strokes, and the fine tip gives consistent lines. The water-based ink is blendable and the resilient nylon brush tip retains its point stroke after stroke. Available in 108 colors!

Tombow Fudenosuke Brush Pen, Hard Tip:

This brush pen features a firm yet flexible tip for different lettering and drawing techniques. Use it to create extra-fine, fine or medium strokes by a change in brush pressure.

Tombow MONO Drawing Pens 3pk:

Drawing pens with water-based pigment ink that produce smooth, skip-free drawing and writing with no smudging.

(Optional) Tombow MONO Medium White Eraser:

Premium soft plastic eraser that removes marks cleanly with little pressure and no paper damage.

(Optional) Tombow MONO Graph Mechanical Pencil:

Mechanical pencil featuring an innovative shake-mechanism that allows you to extend the lead by simply shaking the pencil.

Journal or Notebook:

Grab your favorite journal or notebook to practice creating the headers we'll cover during class.

Header Examples

Below are visual examples of the headers we'll be learning how to create in this class.
