

SINGER® PROJECTS

# Serger Techniques

Have you ever heard of a serger sewing machine and wondered exactly what it was, what it does, and when you might need to use one? Did you know that there are different types of stitches and techniques you can do on a serger?

Join Soni Grint from Singer Sewing Machine Company on a live zoom class Thursday, March 23rd at Noon CST to get the answers to all of your serger sewing machine questions. Soni will walk you through the basics of what a serger is and some of the most commonly used techniques and stitches. She will be featuring the Singer® Heavy Duty 14HD854 Serger Sewing Machine available at Michaels. (Pictured above)

Supply List: Demonstration class. No supplies needed. Come prepared to take notes and get inspired. You do not want to miss this event!

**1. Rolled Hem for Lettuce Hem**
