NOTE:

For drywall mounting, use anchors with screws.

For stud mounting, use only screws.

If walls are concrete or plaster, please consult your hardware store for installation instruction.

REMARQUE :

Pour fixer sur une cloison sèche, utiliser des vis d'ancrage et des vis.

Pour fixer sur des montants, n'utiliser que des vis.

Si les murs sont en béton ou en plâtre, veuillez consulter votre quincaillerie pour les instructions d'installation.
